Education

Arizona State University | Barrett the Honors College | Tempe, AZ | May 2025

Software Engineering B.S. | GPA: 3.65

Certificates: **Google UX Design Professional Certificate** | Coursera | July 2024

Summary

UX-focused software engineer with full-stack development skills and a passion for accessible, user-centered design. Experienced in building intuitive digital experiences and backend systems.

Work Experience / Projects

UX Design Intern

NexMart | Stuttgart, Germany | October - January 2025

- Redesigned the dashboard of a business application to enhance usability and align with the company's design system, creating innovative and modern wireframes and prototypes using Figma.
- Conducted usability testing to refine designs, incorporating feedback from mentors, developers, and product owners as well as collaborated with other departments to ensure designs met technical feasibility and business requirements.
- Worked on feature improvements and new designs, focusing on enhancing user experience and usability.
- Overcame challenges of balancing creativity with the constraints of existing design standards, ensuring consistency and scalability.

Letters to My Friends

Tempe, AZ | June 2025

- Designed and prototyped a community platform for sharing artwork and writing, fostering creative interaction.
- Built high-fidelity mockups in Figma and documented UX goals and design rationale.
- Prepared for future development with consideration for frontend and backend architecture.

Big John's Bookstore

Arizona State University | Tempe, AZ | August - May 2025

- Developed a full-stack web app for managing inventory, gift cards, store credit, and transactions.
 - Designed UI in Figma and implemented it using HTML/CSS, JS, Python, and SQL
 - Built backend functionality with Python and SQL for inventory updates, purchase tracking, and return logic.
 - Integrated gift card and store credit systems with balance management features.
 - Collaborated with a team of 4 and followed Agile methodologies to deliver project milestones.
-
